

Important: Year 11 English Language and English Literature

Dear Year 11,

Though we were expecting an announcement regarding school closures following the news yesterday that Wales and Scotland were closing schools, I am as shocked as you with the news that GCSE exams are not taking place this summer.

We do not know, as yet, how the matter of awarding grades is to be resolved, though I imagine there will be meetings today between the Department for Education, Ofqual and JCQ (a committee representing all the major exam boards).

As such I would like to keep a folder of evidence of all of your best work and need to complete this before the end of tomorrow.

I would like to keep either:

- your December mock examination papers if you achieved a target grade you were happy with (5,6,7,8 or 9)

or:

- a copy of your best high tariff reading question P1Q4 or Paper 2 Q4 from your yellow books
- a copy of your best writing piece P1 Q5 or Paper 2 Q5 from your yellow book
- a copy of your best Literature essay from your purple book

I will be doing this today during our lesson time period 2 and through Friday morning if you need to bring exam papers etc in.

Please take a photograph of this letter in registration today before you put your phones in the box and send to any absent colleagues in your form.

If you are at home self isolating: please take a photo or a scan of the evidence stated above and email it urgently to: J.Heathcote@migsg.miet.uk

Thank you all and stay safe

Mrs H and the English team
