EXECUTIVE HEAD TEACHER'S ADDRESS

Dear Parents/Guardians & Friends of MIGSG

Assalamu'Alaikum

Welcome to our first issue of this academic year 2022-23. This is a prime opportunity to share with parents and friends of the school our news and details of the activities that took place during the autumn term.

A particularly warm welcome to the new families that have joined MIGSG this term. I hope that your daughters have settled into school life and are thoroughly enjoying this new experience. I would like to re-affirm that the school is always here to support your daughters and we welcome and seek parental views throughout the time they are with us. We share a common aim to help your daughters to achieve their very best spiritually, academically and socially.

Congratulations to the Class of 2022 students who attained excellent GCSE results last summer. Their results reflect the hard work and determination of students, their parents and staff. It was so beautiful meeting the girls on the annual presentation evening in November.

Thank you to all parents for their continued support and understanding and to staff for their hard work. As usual we have been very busy with many activities and events and I hope you all enjoy reading about them in this newsletter. Charity Week has always been one of the fundraising highlights of the school year and this year we raised over £15,000 mashaallah. Thank you to everyone who contributed towards this worthy and rewarding cause.

Finally, we are very much looking forward to moving to the new building next September Insha'Allah. We are confident the move will be the start of a new and exciting chapter in the history of both MIGSG and MMPS, bringing further success to the Manchester Islamic Educational Trust as a whole.

PRESENTATION EVENING 2022

On Thursday, 17th November 2022, MIGSG hosted its annual presentation evening at the British Muslim Heritage Centre. This is always a highlight of the school calendar, where we celebrate first and foremost the achievements of the GCSE class of the previous academic year, but also excellence across the school as a whole. We love the opportunity it provides for us to catch up with our former students and their parents, to find out how they are progressing in their post MIGSG studies.

This year, as ever, we were very fortunate to have a variety of speakers who gave the students invaluable advice and encouragement to do their very best to succeed whilst keeping their Islamic identity. The main Guest of Honour was former MIHSG student Uzma Chaudhri, who graduated from Sheffield University with a degree in law, and now runs two online business, volunteers at her local mosque and serves the community through her charity work.

During the evening a number of different awards were presented:

The Maulana Habib Ur Rahman Award is given every year in memory of a beloved founder member of MIET and awarded to the highest performing student in the annual Quran competition. This year's winner was H Osman from Year 10.

Awards for excellence in each subject were presented to students from each year group, and students with 100% attendance were also recognised, as were students who completed the Bronze Challenge of the Duke of Edinburgh Award. The Head Girl, Deputy Head Girls and the whole prefect team of 2021-22 received awards in recognition of their commitment to the school and support of their younger peers.

The main event was, of course, the presentation of certificates to the GCSE class of 2022. We were immensely proud of their achievements this year, and the students fully deserved their success. A huge thank you goes to their parents, for their unerring support over their time with us. Those with the highest sets of grades are given a special award, and this year the following students were formally recognised in this category:
