

MIGSG HIGHLIGHTS

MANCHESTER ISLAMIC GRAMMAR SCHOOL FOR GIRLS

Summer Term 2023 - Issue 3

CLASS OF 2023

Goodbye to our Year 11 students, as they leave to sit their GCSE exams. They delivered an assembly of goodbyes, advice to the lower Year groups from studying to Islamic advice, to sharing what they'll be doing in 10 years time!

They came to MIGSG as students, but left as sisters and daughters of MIGSG. We wish them all our heartfelt duas and success for the future. We can't wait to see what they'll do in life. The doors of MIGSG will always be open to you....go

and make a difference in the world. We are proud of you all 🍊🍊🍊

EXECUTIVE HEAD TEACHER'S ADDRESS

Dear Parents, Carers & Friends of MIGSG

Assalamu'Alaikum

Welcome to the final issue of our newsletter this academic year 2022-23. This is a prime opportunity to share with parents, carers and friends of the school our news and details of the activities that took place during the summer term.

We had an extremely busy summer term with many activities, events, meetings and visits to the new site in preparation for the relocation in September Insha'Allah.

Y11 students sat their GCSE examinations in May and June; results will be published on 24 August Insha'Allah. We wish all our students excellent results that reflect their hard work and dedication.

The summer term ended one week early for students to enable staff carry out the packing of all resources and equipment ready to leave the building. This was a mammoth task and it was an extremely difficult week for everyone. A huge thank you to our staff and particularly to those students who volunteered to help during this week.

As you are aware, MIGSG has successfully registered with the Independent Schools Association (ISA) and we are now inspected by the Independent Schools Inspectorate rather than Ofsted. The school had its first compliance inspection in June 2023 and Alhamdulillah, we have met all regulations successfully. The report will be sent to all parents and also uploaded on school website the first week we return to school in September Insha'Allah.

Thank you to all parents for their continued support and understanding and to staff for their hard work. Very special gratitude to our active PTFA who managed to raise the £12,500 needed for one of the wudu areas at the new building.

Finally, we are very much looking forward to moving to the new building next September Insha'Allah. We are confident the move will be the start of a new and exciting chapter in the history of both MIGSG and MMPS, making a positive contribution that benefits the whole community and bringing further success to the Manchester Islamic Educational Trust as a whole.

Executive Head

TRANSITION

All students had a lesson on transitioning from their current year group to the next year group. We hope the transition is smooth for them, especially in the new building InshaAllah.

FIRST AID SESSION

Year 9 had lessons with Mrs Stear on first aid and had an opportunity to put what they had learnt into practice, bandaging mock injuries

EID 2023

MIGSG Eid around the World

“We have created you from a male and a female, and made you into nations and tribes, that you may know one another. Verily, the most honourable of you with Allah is that (believer) who has At-Taqwa [God Consciousness] V. 2:2)”

Students and staff converted all the classrooms into different countries to show how Eid is celebrated in their country. It was a great Eid day of celebration and eating.

There is nothing like an MIGSG Eid Party. The theme was Eid around the world! Students and staff shared Eid in their cultures by sharing the sweets they have on Eid and dressing up.

EID 2023

PTFA EID DINNER

Our PTFA organised a great Eid dinner for our families. They got to enjoy an evening of bingo, quiz and other games as well as enjoy a buffet dinner. It was a great atmosphere and it was nice to see families enjoying a chilled evening together. We look forward to many more such events

All proceeds will be going towards a wudu area in the new school building Insha'Allah.

EID UL ADHA PARTY 🎉 🎉 🎉

Students had a treasure hunt, ice cream van, form party, Eid karaoke and lots of chocolate and laughter to celebrate Eid Il

Adha 😊 We hope they enjoyed it

PREFECT NEWS

Prefect Team

The prefect team was taken out as a reward for all their support and thank you for all their hard work in managing the school. The SLT and Mrs Imtiaz the prefect co-ordinator joined them for a game of bowling, dinner and a session on the bumper cars. They have been a great team of prefects this year. We will miss them.

The newly appointed MIGSG prefect team for 2023-2024. Well done to the students selected.

MIGSG CORONATION CAKE AND QUICHE BAKE OFF

Students got their culinary skills out to make cakes and quiches for break. We were all impressed with some of the cakes that came, especially the crown. Well done to everyone that participated. The winning cake, chosen by the PTFA, was the crown cake by Haiqa in Year 8.

PREVENT BREAST CANCER

Caroline from [Prevent Breast Cancer](#) Charity delivered a workshop to our Year 10 class, about the new Nightingale Centre and how our students can get involved.

LOOKING AFTER THE ENVIRONMENT

Year 8 had a session on making Chorlton green and how to look after the environment around them, then prepared projects on how to look after the environment.

LIFE AT UNIVERSITY

In May before Year 11 left and sat their GCSE exams, we had the Muslim Chaplain from the universities and Anas a dental student from the University of Manchester in school talking about life at university as Muslim students and some of the situations they'll encounter.

GROWTH MINDSET

The Year 9 students had experience of a coaching session with Hafiza Ismail Children of Jannah (CEO) and a leading life coach having done over 6000 coaching sessions across the globe.

She spoke about “growth mindset” and having clear charged aspirations for life, setting clearly defined aims of what these young girls can do to drive a personality which is charged by faith and also through purpose, inspiration and encouraging each other to be better.

She left the students motivated and charged to do more without the “can’t do” attitude .

REMEMBERING SREBRENICA

Year 7 and 9 English lessons had a special visitor, Nick Perring, an award winning author and poet to talk to the students about the 'Remembering Srebrenica' charity and the genocide in Bosnia. They had an opportunity to take part in a poetry workshop and had to come up with their own poetry pieces.

Thank you to Nick Perring for inspiring our students and for [Remembering Srebrenica North West](#) for facilitating this workshop for our students

11th July marked the 28th Anniversary of a genocide that took place in Bosnia. That week students had lessons on remembering Srebrenica and what happened to there. Year 7 form class delivered an assembly on Bosnia too.

A sad history that happened in many of our lifetimes, we hope and pray never again.

[#rememberingsrebrenica](#)

MENTAL WELLBEING

A Year 7 student made tote bags, stickers and cupcakes with positive messages to raise money for mental health. She did amazingly well and everyone loved the creativity, special well done to Ella who made all the creative items.

T20 VITALITY CRICKET TOURNAMENT

Some of our Year 9 students attended a T20 Vitality cricket tournament. They got to enjoy lunch in the sun and watch a match between Lancashire Lightning and Leicestershire Foxes.

Thank you to [Lancashire Cricket Foundation](#) and Tayyab Akhlaq from the cricket exec board for the tickets and for engaging our students with cricket too. They enjoyed the afternoon.

SOCCKER AID

Some of our students enjoyed a [Soccer Aid](#) football match for UNICEF. For many it was their very first time visiting the Man United ground and seeing a football match live. This kicked off the MIGSG football week.

GRAVEYARD CLEANUP

Some of our students gave up their morning in the hot weather to help a community initiative of cleaning out the Muslim graveyard. They picked up litter, helped locals with their family members' graves, watered some and made Du'a the graves of at their own loved ones. We are proud of you ladies, keep it up.

WORLD EARTH DAY AT MIGSG

Students had a form time activity learning about World Earth Day and their responsibility as custodians of the earth. They talked about recycling and being more sustainable. The students then on to a display put their pledges of how they'll look after the earth

FOODBANK VOLUNTEERING

Some of our Year 7 students helped service users and stocked the pantry too at [Perry's Pantry Foodbank - South MCR](#) in Chorlton. It was an insight for Year 7 to see how many people need to access the Foodbank.

MOCK HAJJ

🇲🇪 *Mock Hajj* 🇲🇪

As part of the Dhul-Hijjah activities, students re-enacted performing Hajj. They learnt about the connection to Prophet Ibrahim and the importance of fulfilling the 5th pillar of Islam. Students hearts were with those performing Hajj, May Allah accept their efforts.

PRIMARY SCHOOL VISIT

We had Year 3 and 4 students from the local St John's Primary School visit us in June. The students were studying Islam as part of their curriculum and came to learn more about the 5 pillars of Islam, mock hajj and Islamic geometric patterns. They were really polite and they

invited us to their school too 😊 .

LEAVERS' DINNER

We said a final goodbye to the class of 2023 at their leavers' dinner. We are so proud of all the students and we know they'll do brilliantly in their exams Insha'Allah.

Thank you to [Al Maidah Banquet Hall & Restaurant](#) for supporting the school and being amazing hosts, with the little details to make it extra special for the school and the students and for supporting our new school build. May Allah(swt) accept it from you.

MIGSG REUNION

"If you have to put someone on a pedestal, put teachers. They are society's heroes." - Guy Kawasaki

Some of the teachers of MIHSG over the last 30 years 🙏

MIHSG Reunion: A trip down memory lane

We held a reunion of students and staff who have walked, worked and studied through the corridors of MIHSG over the last 30 years. The doors were opened for everyone to say goodbye, before we move to our new premises InshaAllah.

It was a heartfelt reunion with people we've not seen in years with the smiles, hugs, memories and heartfelt duas were pouring out.

A family and second home for many...

SUMMER FAIR

Thank you to all the parents, students and staff that attended and helped out in the summer fair . We raised over £4,500 for wudu facilities in the new building.

May Allah(swt) reward you all immensely and thank you to the PTFA for organising the day. We hope you all enjoyed it.

The last salah led by Mr Elbey at 55 High Lane

GOODBYE MIGS

STUDENTS' LAST DAY AT 55 HIGH LANE

SG AT 55HIGH LANE

55 High Lane

GOODBYE TO LOCAL LOVED INSTITUTIONS

Students prepared hampers and gifts to give to the local Co-op to say goodbye, as it was a frequent favourite of theirs,

GOODBYE TO COSTA

A goodbye from our students to the local Costa, thank you for all your support.

RANDOM ACTS OF KINDNESS ~ GOODBYE

As part of saying goodbye to our home in Chorlton, the students prepared cards and chocolates for all our lovely neighbours. We will miss you all and hope you liked our random acts of kindness throughout the years.

GOODBYE FROM THE TRUSTEES

During the last day for the students at 55 High Lane, before we move building, the Trustees came and spoke to the students about their memories in this building and what the new school building holds for the students InshaAllah. Thank you to the Trustees for coming in to speak to our students and say a goodbye to MIGSG at 55 High Lane.

URDU TRIP TO LAHORI CHAI SHAI

Year 10 Urdu GCSE students went to Lahori Chai Shai as an end of year treat and for a Pakistani cultural experience. They enjoyed traditional Pakistani food including biryani in a matka and matka chai. They were surrounded by the Urdu language and had to read the poetry on the walls and tables as well as order their dishes and give reviews to the staff in Urdu. They thoroughly enjoyed the experience.

LORD MAYOR OF MANCHESTER ~ YASMIN DAR

We had a special assembly with the Lord Mayor of Manchester, Yasmin Dar, on the last day of school. As the first Asian Muslim female Lord Mayor, she shared an inspiring story of how she got to where she is today, and inspired the students to ensure they work hard and get an education and can achieve anything in life, and could even be the future Prime Minister.

FEMALE FOOTBALL VISITORS

All students in KS3 were treated to a coaching session from female football players from Rovers Football Club.

DUKE OF EDINBURGH 2023 ~ 2024

Thirty six students from Year 9 signed up to complete their Duke of Edinburgh Bronze Award during 2023 – 2024.

All students received a full day's training at school from the qualified female instructors from Challenge Expeditions, in preparation for the Expedition section of the Award.

Students were transported to Thorpe Farm in the Peak District by coach. Once settled into their bunkhouse rooms, they set off in their groups for their training Expedition. This involved working as a team, communicating with one another, orientating a map and using a compass. Students had to meet their instructors at designated check points and receive tips on navigation.

Once back at the farm, students received tent training and had to cook a hot meal on a Trangia. After a good night's sleep, students completed another day's walking before returning back to school.

Upon their return, students completed their group reviews, in preparation for the Assessed Expedition. This is what one group had to say:

'The best things were: reading and orientating a map; not getting lost; following a route; and the scenery. The worst thing was the lack of sleep and the cold at night. The hardest thing was walking up a steep road and hills.'

The Practice Expedition prepared them for their Assessed Expedition a few weeks later. Groups completed their two days' walking, starting from Castleton Visitors' Centre. Students cooked their evening meal at Glenbrook Activity Centre near Hathersage.

Students thoroughly enjoyed their Assessed Expedition and were blessed with fabulous weather and beautiful surroundings.

All students were able to complete their Assessed Expedition successfully and are currently completing their eDofE on-line.

HEALTHY EATING WEEK 12TH - 16TH JUNE 2023

MIGSG took part in healthy eating week activities. The event, organised by the British Nutrition Foundation, aims to show what we can do to have a healthier and more sustainable diet and lifestyle, in an

Day 1: focus on fibre

Day 1 kicked off with packs of strawberries at form time- each student had a piece.

This was followed by a presentation on the importance of fibres in and the different ways to incorporate it in our diet. Health and Safety reps for each form delivered the presentation brilliantly

Day 1 continued with a fibre packed snack!

Students built their own healthy snacks by experimenting with:

- a range of healthy, wholegrain base (oatcakes, rhy bread and crackers)
- a choice of freshly-made, creamy hummus or mashed avocado as a spread
- a choice of tomato or cucumber for topping

Car park event after school

Day 1: Build a healthy snack

Have it your way!

Others decided to dip the vegetable into the humus! Yummy!

HEALTHY EATING WEEK - 12TH - 16TH JUNE 2023

Day 2: Focus on Fibre continued at break time

Day 3: Vary your protein
The form time activity focused on knowing more about the importance of protein and the different sources of protein. Students also took part in a brain teaser activity to name the different types of pulses- plant protein.

The cooking club joined in the fun too! Mrs Barbash and her club members dished out potato stew, using canned pulses as part of the recipe

HEALTHY EATING WEEK 12TH - 16TH JUNE 2023

Day 3 with staff

And, well-done to Ms Barker who took up the staff challenge and brought healthy lunch.

Staff were not to be outdone. As usual, Ms Hussain served up a delicious meal for staff at lunch time complemented with plenty of fruits.

Healthy school dinner

The school kitchen also joined in the fun as they served up fruit and salad bowls every day of the week.

Well done to everyone!

Cantastic competition

Some of our girls also took part in the 'cantastic' competition as part of the healthy eating week.

The challenge:

Create an original recipe using at least one canned product.

Submit recipe, photos of ingredients, preparation and finished meal.

HEALTHY EATING WEEK 12TH - 16TH JUNE 2023

Healthy eating week feedback from students

The healthy eating week helped me try new combinations of healthy food like crackers, avocado and carrots. The free food was amazing. I loved it. I want it every week. Thank you for making it happen! We enjoyed it so much-
Perry, Year 8

Any other comments

It was fun

I loved it! I don't enjoy turning into Nick Avocado. So, I thank you for guiding me down a healthy path-
Mona - Year 8

Any other comments

I would like to keep the watermelon or salad as part of school lunches :)

Any other comments

It really encouraged me to eat healthier, it's the first time I consciously made an effort to eat healthy.

Any other comments

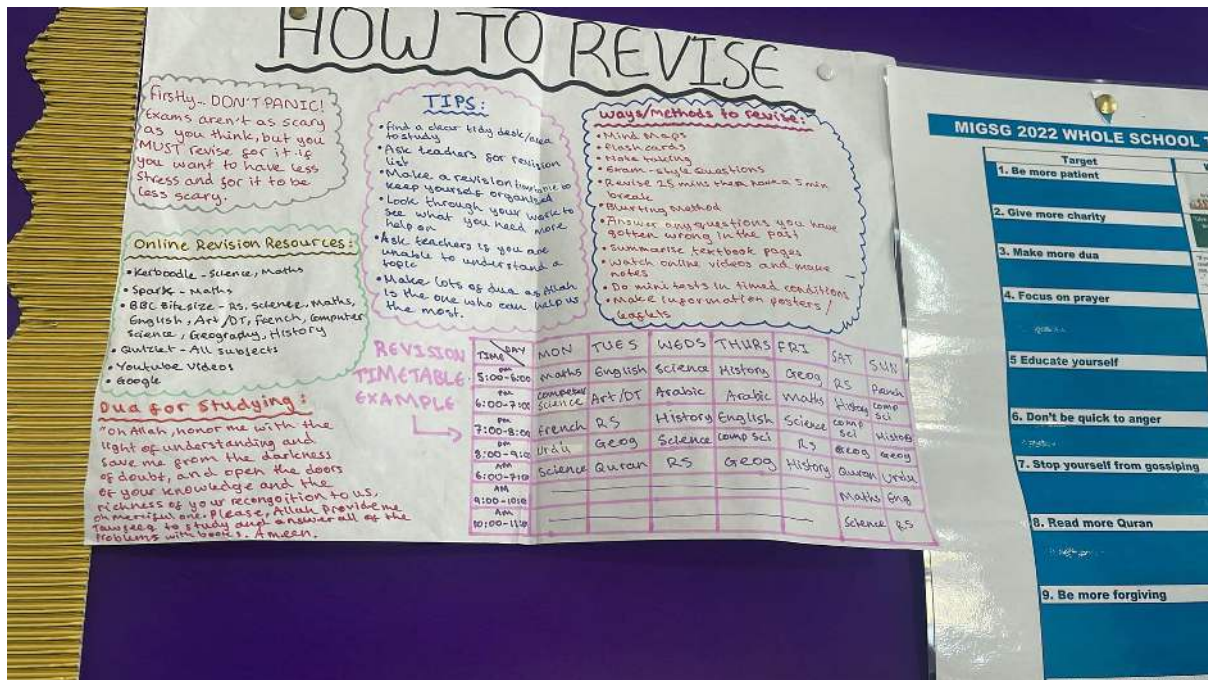

Very good. I enjoyed healthy eating week because we got free food. slay queen.

Very yummy watermelon and strawberries. Maybe next time, serve more fruits. I love the crunchy salad.

PEER MENTORING

Mentoring at Manchester Islamic Grammar School is important, not only because of the knowledge and skills students can learn from mentors, but also because mentoring provides personal support to facilitate success during exam week. Some great initiatives were undertaken by the mentors to prepare Year 7 for the summer exams. They visited each form group and shared tips on how to revise effectively.

Why are role models important and who should inspire us? The Year 10 students held weekly study circles for Year 7 students to speak of inspirational women of the past. This continued until Ramadan which is a time which gives a great sense of motivation for the students to begin setting some personal aspirations to become future role models.

LIVING ISLAM YEAR 7

A very simple way to spread more happiness in your own little world is through *kindness*. So how can you start spreading the *kindness* and happiness in your daily life at school? Well, thank you to some of our peer mentors who prepared sweets, personalised bags and badges to sell with the money raised to be donated towards a mental health charity.

The students were given the opportunity to visit a local food bank and help organise food parcels for service users. This was a very insightful experience for the students and they were able to learn about the different reasons people are referred to a food bank. During lessons the students have been acquiring knowledge on the importance of serving the community and how important this is for the Muslim faith. .

DEBATE CLUB

There are plenty of advantages for student debaters, whether they choose to join actual debating teams or they debate as a small group. Some of these advantages include:

Practice in developing sound and logical arguments.

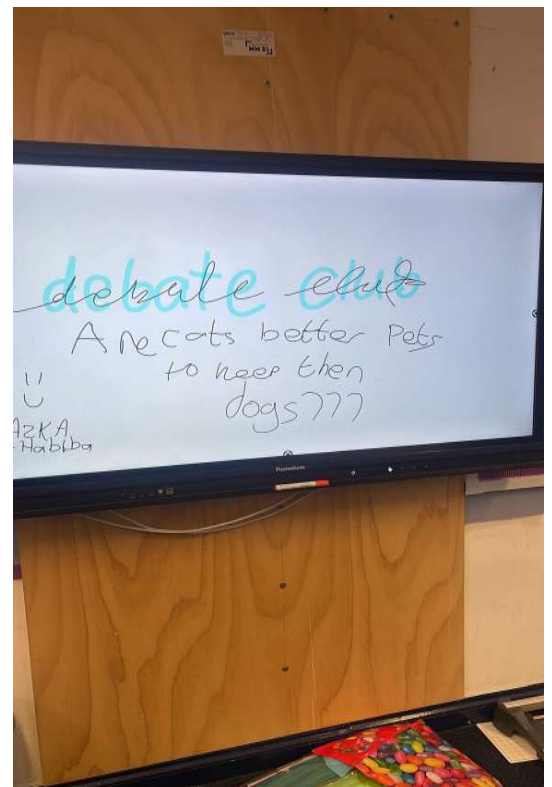

An opportunity to practise speaking in public.

The experience shows great initiative and leadership on the college application.

The research you do will expand your mind and increase your understanding of important issues.

This term the debate society has organised training for 18 students on valuable debating skills such as the use of British Parliamentary skills.

We look forward to further contributions from the vibrant and eager young debaters!

YEAR 10 WORKEXPERIENCE

Work experience is an important opportunity for our students to gain valuable skills and experience in the work place, skills that they can take forward and utilise within their future studies and careers. Year 10 students got to experience working in many different sectors this year, for example Pharmacies, Primary school, Law firms, libraries and more.

Work experience gives students the ability to:

Understand a much better idea of how it is like to work and gained many important skills from it.

Identify their own skills, strengths and weaknesses and perhaps highlight areas for improvement.

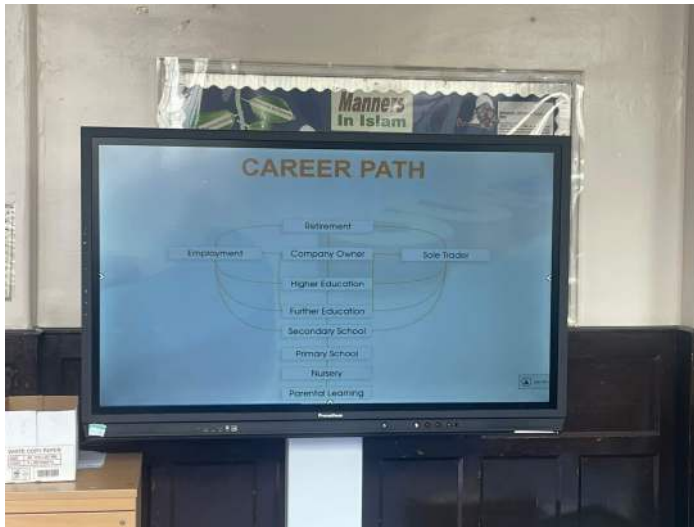

Completing a work experience placement shows commitment and drive. Taking part in work experience demonstrates motivation that colleges and employers value greatly.

Well done to all the year 10 students for showing outstanding behaviour and conduct whilst on placement.

CAREERS

The Year 10 students were given some final tips before they went on their summer work experience placement week. We had some fantastic placements taking place around Manchester. At Manchester Islamic Grammar School we encourage a range of different experiences for the students to explore and ensure the students are well equipped before embarking on this new experience. May Allah (swt) bless their futures and the choices

ART AND DESIGN

ART TRIP- We stepped into a world of vibrant colours and imagination at the Colors Festival in Salford with our GCSE Art students. There were illuminous paintings that glowed in the dark. Great images for all to see. It was amazing and the students loved it.

GEOGRAPHY AND ART

Year 8 attended a joint Art and Geography trip looking at an exhibition on 'traces of displacement' which they have been studying in geography lessons this year. They had an opportunity to look at the art work around the gallery followed by a picnic in the park. Thank you to the Whitworth Art Gallery for accommodating our students.

HISTORY COLONIAL PROJECTS

To end the term, Year 8 have been competing in a colonial project. Each team was delegated a country which had once been a British colony and had gained independence. They needed to create a display board, and 5 minute PowerPoint presentation on their delegated country, and include poems, statistical and cultural information including fashion and music. Each team performed their presentation at lunch time in front of over 10-15 members of staff who marked them and the winners received certificates in the awards assembly.

HUMANITIES WEEK

This term included Humanities Week, which focused on the idea of 'Fast Fashion.' Fast fashion relates to our throwaway society, we tend to bin unwanted clothes rather than recycling them. All KS3 students were encouraged to bring in 2 items of unwanted clothing or accessories. In their Geography lessons they were taught about the concept of fast fashion and had the opportunity to swap their unwanted clothes with one another. In History, a second item, that students had permission to 'cut up' was used to create an item of clothing based on the historical period they were studying. For example, Year 7 attempted to replicate a medieval costume, Year 8 and Elizabethan dress and the Year 9's enjoyed making something from the 1960's. All students practiced their sewing skills and helped each other if they had no experience. The task was enjoyed by all.

Humanities week extends to the staff

It was agreed that the swapping of clothes was such a good idea that clothes rails were put up in the staff room and staff were encouraged to clear out their wardrobes of unwanted items and bring them in. We enjoyed a full week of exchanging clothes and accessories, the rest were taken to the local charity shop in

YEAR 9 FRENCH STUDENTS ~ BISOU BISOU CAFÉ JUNE 2023

Year 9 have enjoyed their French experience and French breakfast in the French cafe 'Bisou Bisou' with their French teacher and Head of the Modern Foreign Languages Department, Mrs Saunders. The students had to converse with the staff in French and confidently ordered food in the target language. They had the opportunity to practice the language in context with real native speakers. The girls appreciated the experience very much and built some speaking confidence, asking questions and responding to the waiter in French.

They enjoyed the authentic drinks and patisserie!

Bonne appétit les filles! A well-deserved treat after a long year of hard work!

A special thanks to Mrs Saunders who organised the trip, to Mr Alex, the owner of the French cafe, his native French chef and waiter for their cooperation and hospitality

FOOTBALL TOURNAMENT AT TURN MOSS PLAYING FIELDS

All students participated in inaugural year group football tournaments during July. Students walked the short distance to and from the venue, then played in 6-a-side teams for the duration of their allocated time slot. Students from Year 9 enhanced their leadership and officiating skills by volunteering to referee the matches.

The venue was provided by Stephen Darrouch – Football Development Officer from Trafford Leisure Services. The school would like to thank him very much for all his support in enabling the students to have a fabulous, enjoyable time.

During the tournaments, students demonstrated good sporting behaviour, team work and communication skills and many displayed excellent football skills. The winning teams all received medals for their efforts. Staff chose players of the tournaments and individual medals were also presented to those students.

Inshallah, this will become an annual event for students to enjoy, adding to the sporting calendar.

QURAN COMPETITION AT MIGSG 2022 - 2023

In the words of the executive head teacher, Mrs. Mohammed, the most important day of the year for MIGSG came for the very last time in 55 High Lane on Tuesday 4th July 2023/1444 – the day of the Qur'an Competition. Stakes ran high this year as competitors across the year groups rose to the challenge to participate in the competition and memorized both the Arabic and English translation of the surahs assigned to their year group. The Surahs for each year group were as follows:

Year 7 – Surah Naba, Year 8 – Surah Qiyama, Year 9 – Surah Insan, and Year 10 – Surah Mursalaat.

The participants each competed for the first, second and third places in their year group. The first, second and third place winners for each year group are as follows:

Year 7	Year 8	Year 9	Year 10
Taleen Saleh: 1 st	Huda Ige: 1 st	Maryam Sajjad: 1 st	Waad Maghoub: 1st
Fatima Chaudhary: 2 nd	Yumna Ali: 2 nd	Amira Ige: 2 nd	Misbah Chowdhry: 2nd
Raghad Maghoub: 3 rd	Ismah Bhuta: 3 rd	Salsabil Tolba: 3 rd	Aleena Akhtar: 3rd

After each year group has recited their Surah, the first place winners of each year group compete to become the overall winner, who receives the Maulana Habib ur Rahman award. The Maulana Habib ur Rahman award winner of this year is: **Waad Maghoub**

A big thank you to our judges, Sister Ziba, Sister Suad, Mrs. Barbash and Mrs. Hussein for judgment of the Arabic Surahs and Mrs. Malek Jr for judgment of the English translation and tafseer; a huge thank you as well to the Qur'an department and all the staff that helped in the success of the event this year.

One of the competitors in Year 9, Azka Hussain, has expressed her experience competing in the competition this year:

"It was extremely nerve-wrecking waiting half the day for the Year 7s and Year 8s to compete before me. My stomach churned and my heartbeat sped up, and I was sweating really hard. However, I'm grateful for having such an opportunity to recite the verses of the Qur'an in front of an audience, and although I didn't win any medals, I'm happy with how I performed since it was my first time memorizing a whole Surah in Arabic and English and reciting it to compete in a competition. I'm grateful for the school giving me this opportunity as I just came from Pakistan this year and I hadn't experienced this ever before." – Azka Hussain, 9 Firdous.

The participants of this year were; Fatima Choudhry, Raghad Maghoub, Taleen Saleh, Asma Sanusi, Noor Sheikh, Rayann Zaki, Maryam Akdas, Afrah Khan, Shanzay Khan, Afiyah Mazher, Zobia Ahmed, Malaikah Ali, Ismah Bhuta, Haiqah Khan, Qudsiya Hassan, Huda Ige, Safiya Usman, Ajwa Sheraz, Aiza Manal, Laila El Sherbiny, Yumna Ali, Rayan Ghani, Mona Kayali, Azka Hussain, Maryam Sajjad, Salsabil Tolba, Amira Ige, Jana Osman, Amal Khan, Waad Maghoub, Misbah Chowdry, Aleena Akhtar, Zahra Marium, Hooriyah Sheikh, Mahima Muntasir

QURAN COMPETITION AT MIGSG 2022 ~ 2023

SPORTS DAY 2023

All students and staff enjoyed a fabulous day at Longford Park for the annual Sports Day on Monday 26th June 2023.

Every student competed in a range of athletic and fun activities, earning invaluable points for their forms.

During the day, there were some excellent athletic performances, with a number of girls winning several medals. Lara Abdalla in Year 9 competed in several events, winning an incredible six!

This is what a few of the students thought:

'I enjoyed Sports Day because I did the long jump and it was fun. I cheered on my friends and we watched the teachers' race.'

'It was a really fun day.'

'Sports Day was so much fun and I won four medals.'

'I enjoyed Sports Day because it was the opportunity to try something new. My form came first in the 4 x 100m relay and received medals.'

Overall results:

KS3
